

11th CHINA DAY

Transformation and Opportunities for Growth

November 17, 2025 | Steigenberger Icon Frankfurter Hof

Our philosophy

The CHINA DAY has a long tradition within the EURO FINANCE WEEK. For more than 10 years we have been building bridges between our cultures and the important German-Chinese economic relations. We focus on a continuous dialogue between politics, financial decision-makers and corporates.

11 years CHINA DAY - A success story

Impressions 2024
